FAIRMONT PARK OPEN MAY 9

Park Commissioners Discuss Feasibility of New Well.

ACTION DEFERRED FOR PRESENT

A. C. Graham Discusses Advisability of Providing This Improvement on Grounds for People of All Degrees.

The Board of Park Commissioners yesas the date for the formal opening of Fairmont park for the season. A feature of the opening will be band concerts during the afternoon and evening. Action on the recommendation to expend

\$2,500 on an artesian well in Pairmont park | yesterday. At a late hour last night no was deferred by the board. All of the former caretakers at the different parks were reappointed for the ensuing season at their old salaries. A. C. Graham, who was elected chairman of the board at the meeting Tuesday night submitted the following "message" at the

dojurned session yesterday afternoon: At the beginning of another year of work for the preservation and development of the general further and Mrs. A. H. Wolf, 1715 Avenue G. died at a late hour Wednesday night. The funeral will be held this afternoon at 129 o'clock from the family residence and burial will be in Fairview cemetery.

The Council Bluffs Woman's Christian Temperance union will meet next Tuesday afternoon at the residence of Mrs. Edward Wilkins, 2028 Avenue C, to give a farewell reception for Mrs. M. E. Coon, a member of the union, who will leave shortly to make her home at Stockham, Neb.

The trial of the case of the state against the Alamito Dairy company on the charge

Park Health Resort.

Such a well would make Fairmont park a such a well would make Fairmont park a health resort, everything being free for rich and poor alike. This well could be sunk for about \$2,500, which may look like la large sum, but when we look back for the last thirty years and find that the litigation in park suits has cost not less than \$30,000 and that no one of these suits has taken an acre from the parks, we feel justified in the hope that we have seen about year ending March 31 and the amounts led in the hope that we have seen about he last of these suits, and may now inves the last of these suits, and may now invest the money in permanent improvements. We ought perhaps to feel proud of those citizens who have compelled the park board to spend enough of the people's money to sink a dozen such wells and use it to protect the titles from citizens who have had no rights the courts would recognize. As a member of the park bowrd I would not inclose any property belonging to a citizen to make it a part of the parks, but at the same time I think the board ought to hold at any cost all of the property that belongs to the city and make it very interesting for the parties who are all the time trying to get rich at the expense of the citizens.

Levee at Lakeview.

At this time I want to call the attention of the city council to the matter of the levee at Lakeview park. For good reasons perhaps the council granted private parties the right to construct a levee slong the lines of Lakeview. From recent surveys by our engineer I find this levee crosses the park meander lines in many places. The embankment is all right for the parties benefited, but this kind of work gives the park board a great deal of trouble. If the work had been laid out by the city's engineer he would have known our lines and there would have known our lines and there would have been no trouble, but the work was done by an Omaha engineer. I do not blame the present council, as this work was done two years ago. Members of the park board can be found at any time by any members of the council, and we would be pleased to work with them for the best interests of the city at all times.

There is a great deal of new work to be done in the parks this season, the first at Lincoln park, which has been added to the system, and in Fairmont, Cook, Graham and Cochran parks. The park fund is in good shape to do all the new work required and keep the system in good repair if the same care is used by the park board as formerly. At this time I want to call the attention

WILL PROCEED AGAIN Believes Hedgepeth Guilty and In-

tends to Prosecute. County Attorney Hess stated yesterday that it was his intention to try Marion Hedgepeth again on the charge of blowing the safe in the office of the Council Bluffs Transfer and Stove Storage company. "Hedgepeth has been tried twice and each time he was convicted," said Mr. Hess, "I believe the evidence offered by the state at both trials warranted his conviction, even though the supreme court as yet a copy of the supreme court's decision in the case, but have written for it. believe Hedgepeth was guilty and I cer- to be borne by the city. tainly intend to try him again." W. P. Jackson, who was arrested with Hedgeto ten years in the Fort Madison peniparoled or pardoned. Jackson, like Hedgepeth, appealed, but the supreme court disdid not enter into the question of evidence. Ira Davis yesterday brought suit for di-

The council adjourned to Monday even-COUNTY BOARD ACTS ON BILLS

Wrestles With Large Number of Accounts at Meeting. The county supervisors put in a large

part of the time of Thursday's session wrestling with a big grist of Board of Health bills from the city and other portions of the county. Many of these bills were rejected for one cause or another, but principally because a number of them were not itemized.

The bill of J. R. Macrae, "city quarantine officer," for his salary was one of the Apparent Overdraft Will Be Made Up in Part.

The report of City Auditor McAneney for March, the closing month of the fiscal year, which was issued yesterday shows the general fund to be overdrawn \$3,052.69 beyond the \$30,000 appropriated for the first of the first

rendered and allow such sum as you think is proper for the services.

The board, however, decided to reject the bill "for the reason that it is not in the form of a stated bill and the board is not able to determine whether or not the hill is at present visiting her father, who is making the for the services rendered and the services are researched.

have rejected his salary claim.

Another bill which was rejected by the board was that of Dr. A. A. Robertson, health officer of Crescent. In his capacity as health officer Dr. Robertson attended the convention of the Iowa Association of Health Officers at Des Moines last October and his bill of expenses amounted to to be creeked in this church project goes through this will make the fourth church to be creeked in this city during the com-\$14. Rule No. 28 of the States Board of ing summer. Health, relative to the duties of a health officer, says: "He shall also attend and represent the local board at the sanitary conferences called by the States Board of Health, his actual expenses therefor being allowed and paid by the local board of health so represented." The board, after quarters. The company is an independent refluing company. consulting with County Attorney Hess, practically held that the State Board of Health exceeded its authority in making Milwaukee & St. Paul at M'Gregor. The any such sule.

The claim of A. Johnson for janitor servlee in the court house at Avoca brought up another question of liability on the part of the county at yesterday's session of the supervisors. The board, while it finally allowed the claim, took the position that 4.744.65 the city of Avoca should pay for such janitor service, repairs, heat and all other ex-

The statute provides that "where terms of court are held in any city or town not to the county." Whether this provision ontemplates that the city shall heat, janitor service and repairs is the question which the board yesterday practically would have to be decided by a friendly suit in the courts. Heretofore the board has allowed all bills in connection with the maintenance of the court house at Avoca without questioning them. There has, however, been at different times agitation in favor of transferring the place of holding court in the east half of the county to Oakland, the citizens of which

place stand ready to pay all expenses. Real Estate Transfers. These transfers were reported to The Bee

There was also some talk of turning down down in the Rock Island yards at Sibly not shown themselves friendly to Iowa caught him. educational interests and also because there are not on the board any graduate of a college except in some special course.

They promptly rejected and refused to confirm the appointment of Judge Conner. A committee was sent to confer with the governor and see if he would not withdraw the name, but he refused, and there was nothing left for the senate but to reject the name. The governor immediately appointed F. F. Jones of Villisca to the board of control. He may not be con- ern Railroad, firmed, as it is said there is some opposition.

The Board of Education was all confirmed and the men named yesterday will take charge of the colleges July 1.

Recalled One Bill.

The legislature today recalled from the governor the Seeley bill to exempt from taxation the stocks of all corporations outside of Iowa. The house started the recall matter when it was discovered that a certain bank bill had been rejected by the senate, and the Seeley bill was attacked at first in retaliation. But it also was developed that the bill would exempt from taxation a vast amount of personal property in Iowa, and the bill probably will not be passed again.

Raising Salaries at Capitol.

Raising Salaries at Capitol. The senate passed the resolution offered by the committee on retrenchment and new "Board of Public Health" is sleeping reform increasing salaries about the state in the hands of the senate appropriations house. The committee each session fixes committee, where it is likely to remain. On the pay of clerks and employes in the the house side the bill never even got to various departments.
